

Key Information Documents (KIDs)

In the following links you can find the Key Information Documents (KID) regarding the financial products in which you execute transactions through our Company. Each Key Information Document contains all key information regarding the nature and characteristics of each product, the risk profile as well as relevant performance information and is essential to read before entering into any transaction.

In case that you do not sufficiently understand the risks involved in investing in the specific financial instruments and/or the characteristics of each of them, please contact our company directly via the email address info@beta.gr stating your questions.

Our company considers that in the event that, after this posting-information, you send an order on the specific financial instruments, you have read, understood and accepted the conditions and risks described in the KID of the product you invest in - you get a position.
